Which Photo Booth or Selfie Machines? Here's your options.

## VINTAGE OPEN PHOTO BOOTH

## THE VINTAGE BOOTH

Our modern take on a vintage classic, complete with studio lighting, DSLR camera & studio type backdrops bring this vintage photo booth classic into the modern age.

The system we use offers not only prints, but also digital images straight to your email or SMS direct to your smart phone.

Prints are immediate, with a choice of 1000s of design templates that are customisable to your event & colour scheme.

We offer only the full package – details of our Weddings, Parties & Event packages can be found at the link below.

# THE DIGITAL SELFIE – PHOTO BOOTH COMPACT – BUT ALWAYS A HUGE HIT

**TEXT, EMAIL, SHARE! PERSONALISE, BRAND. DIGITAL PROPS, FILTERS, BACKGROUNDS.  
SMALL FOOTPRINT, LESS SPACE BUT JUST AS MUCH FUN!**

## **Single Photo**

A traditional photo style you can take, minus all of the bells and whistles.

## **GIF**

Take consecutive photos back-to-back to string together, making a moving photo experience.

## **Boomerang**

Similar to the GIF experience, snap photos consecutively to replay them back and forth.

## **Photo Layout**

Use photo layouts to enhance your experience with print capabilities.

## **Digital Props**

Leave your physical props behind by using our many digital assets to overlay on your guests faces.

## **MAGIC BACKGROUND**

With our AI technology, you can now have the green screen experience without the green screen.

## **Filters – colour, black & white plus more!**

Change the overall feel of your photo experiences by transforming the look of your guests right on camera.

**Brand your Digital Photo Booth** – on screen branding, brand wrap the booth, brand the photo layouts. A wonderful fun way to get your brand seen.

## SELFIE MIRROR EXPERIENCE

Our Magic Mirror Selfie Photo Booth is an innovative and interactive photo booth that's relatively new to the event and wedding market! Its popularity is growing rapidly! This 5ft tall magic mirror touchscreen glass allows guests to see their whole reflection allowing full length body selfies.

Another aspect of the Magic Selfie Mirror is the entertainment not only guests get who are participating but also the entertainment value for the guests who can observe their fun as guests pose in front of our wonderful Magic Mirrors.

The selfie mirrors come complete with red carpet and ropes set, plus all the usual items supplied with your photo booth hire, the magic mirror also offers use of props and digital copies as well as prints right there and then on the event.
