360 VIDEO PHOTO BOOTH EXPERIENCE

Unlike our other photo booth experiences, the 360 Booth captures your guests in video boomerang whilst guests stand on a podium as the camera revolves around them several times capturing their pose. A video is recorded, and our state-of-the-art software then turns this into a short fun movie guests can download onto their phones to share and upload to social media if they wish. All videos are uploaded immediately to your online gallery for you to enjoy for many weeks and months to come.

We include unlimited use during time booked, a good selection of quality fun props, professional video lighting, an attendant and barrier control for the safety of you and your guests.

Most events require between 2 and 3 hours for everyone to have fun and enjoy the 360 although we can also offer longer bookings if required.

2 hours use £400

3 hours use £450

4 hours use £550

NOTE – Travel for a radius of up to 20 miles from our Rossendale base is included in the above prices, for venues outside this area a small additional charge may be required.
